PROMOTER APPLICATION INSTRUCTIONS AND INFORMATION

Enclosed, you will find a promoter application and related documents. It is your responsibility to review and understand all rules and regulations related to your application.

You must complete and submit all the required forms or the application process will be delayed and you will not be able to promote any events.

APPLICATION (All Applicants)

This application must be completely filled out even if you have been previously licensed. The form has been updated and it is the only format the Commission will accept for licensure.

You must submit separate applications for:

- Professional Boxing
- Amateur Kickboxing
- Professional Mixed Martial Arts

You may choose to apply for a license to promote both boxing and martial arts. Only one fee will be required for both licenses. A license will only be granted for both boxing and martial arts if the individuals applying for the licenses demonstrate proficiency and experience in promoting both sports. A decision will be made depending on the background information provided. **If you are not granted a license. In cases where you are not immediately granted a second license, you will be required to appear in front of the Commission. You will be formally notified by letter if this occurs.**

Being granted one license does not guarantee that you will be granted another license.

Requests to have amateur kickboxers and professionals on the same event and/or requests to have mixed sports require prior written approval. Amateur rounds do not count for compliance of Rule § 242. NUMBER OF ROUNDS SCHEDULED. Please submit your information as soon as possible to allow the commission time for review and approval.

All ownership partners and corporate officers must have a Corporate Officer Information form on file with the Commission (enclosed).

BASIS FOR GRANTING LICENSE (All Applicants)

The Commission will not issue or renew any promoter license to an applicant without satisfaction that the applicant is the real party in interest, and intends to conduct, hold, or give such contests itself. In no case shall the Commission issue a license to a promoter unless the promoter will receive at least 25% of the net receipts of any promotion.

TEMPORARY LICENSE (New Applicants)

A temporary license in the form of a letter from the Executive Officer will be issued upon review of the application. An applicant shall not enter into an agreement for an event or advertise an event until the temporary license is issued. A temporary license must be issued no later than 15 days prior to the first scheduled event. The applicant may be required to appear at the next scheduled Commission meeting after their first event.

FEES (All Applicants)

A professional promoter application fee is \$1,000.00 and the amateur promoter fee is \$250.00.

The exact amount is to be included in the form of a check, cashier's check, or money order made payable to the California State Athletic Commission. No cash is accepted.

LIVE SCAN FINGERPRINTS (All Applicants)

All ownership partners and corporate officers must be fingerprinted through the Live Scan service on file. You only need to submit Live Scan fingerprinting once. If you have submitted your fingerprints in any other fashion other than Live Scan, you need to resubmit them using the attached form. Only Live Scan fingerprints are acceptable.

If the applicant is a corporation, a copy must be submitted for each officer.

The applicant is responsible for payment of Live Scan fingerprinting.

BOND (New Applicants)

Professional promoters are required to secure a bond in the amount of \$20,000 or in an amount determined by the Commission to assure the faithful performance of the promoter. Amateur promoters are required to secure a bond in the amount of \$1,000 or in an amount determined by the Commission. The Commission may require an increase in the bond amount on a show-by-show basis depending on the financial obligations incurred for a specific event. (Pursuant to Business and Professions Code Sections 18680, 18681, 18684 and 18685.)

In lieu of a bond, an applicant or promoter may assign a bank savings account or certificate of deposit to the California State Athletic Commission by submitting an Assignment of Savings Account or a Security for Payment of Bond (form enclosed).

If you are required to increase your bond for a special event, you may submit a cashier's check for a temporary increase in your bond amount. The cash amount will not be returned until all the checks for the event have cleared the bank.

If you are renewing your license and your bond has changed, please submit a new form with the application.

MEDICAL INSURANCE COVERAGE CERTIFICATION (New Applicants)

The insurance company providing coverage must notify the Commission that the insurance has been secured and it effective. It is the promoter's responsibility to assure the insurance company submits verification of coverage.
